Caption for cover photos on facebook

One of Facebook's most powerful features as a social network is the ability for users to share photos with other users. You can upload individual photos to your Facebook wall or the wall of a group or page you have access to. These images appear as posts in your newsfeed. If you want to add a detailed description to a Facebook picture post, you can either add a caption the first time you upload your own photo, edit the photo later to include your caption, or share someone else's photo to add a caption to an image you haven't uploaded. Hey guys! If you're looking for the best captions for your Facebook profile pictures (DP), then I have to say you're in the right place.
